

Reconstruction of the main station square

Construction phase

from 21 June to 11 July 2017

Recommended approach
to the *Le MERIDIEN*
GRAND HOTEL NÜRNBERG

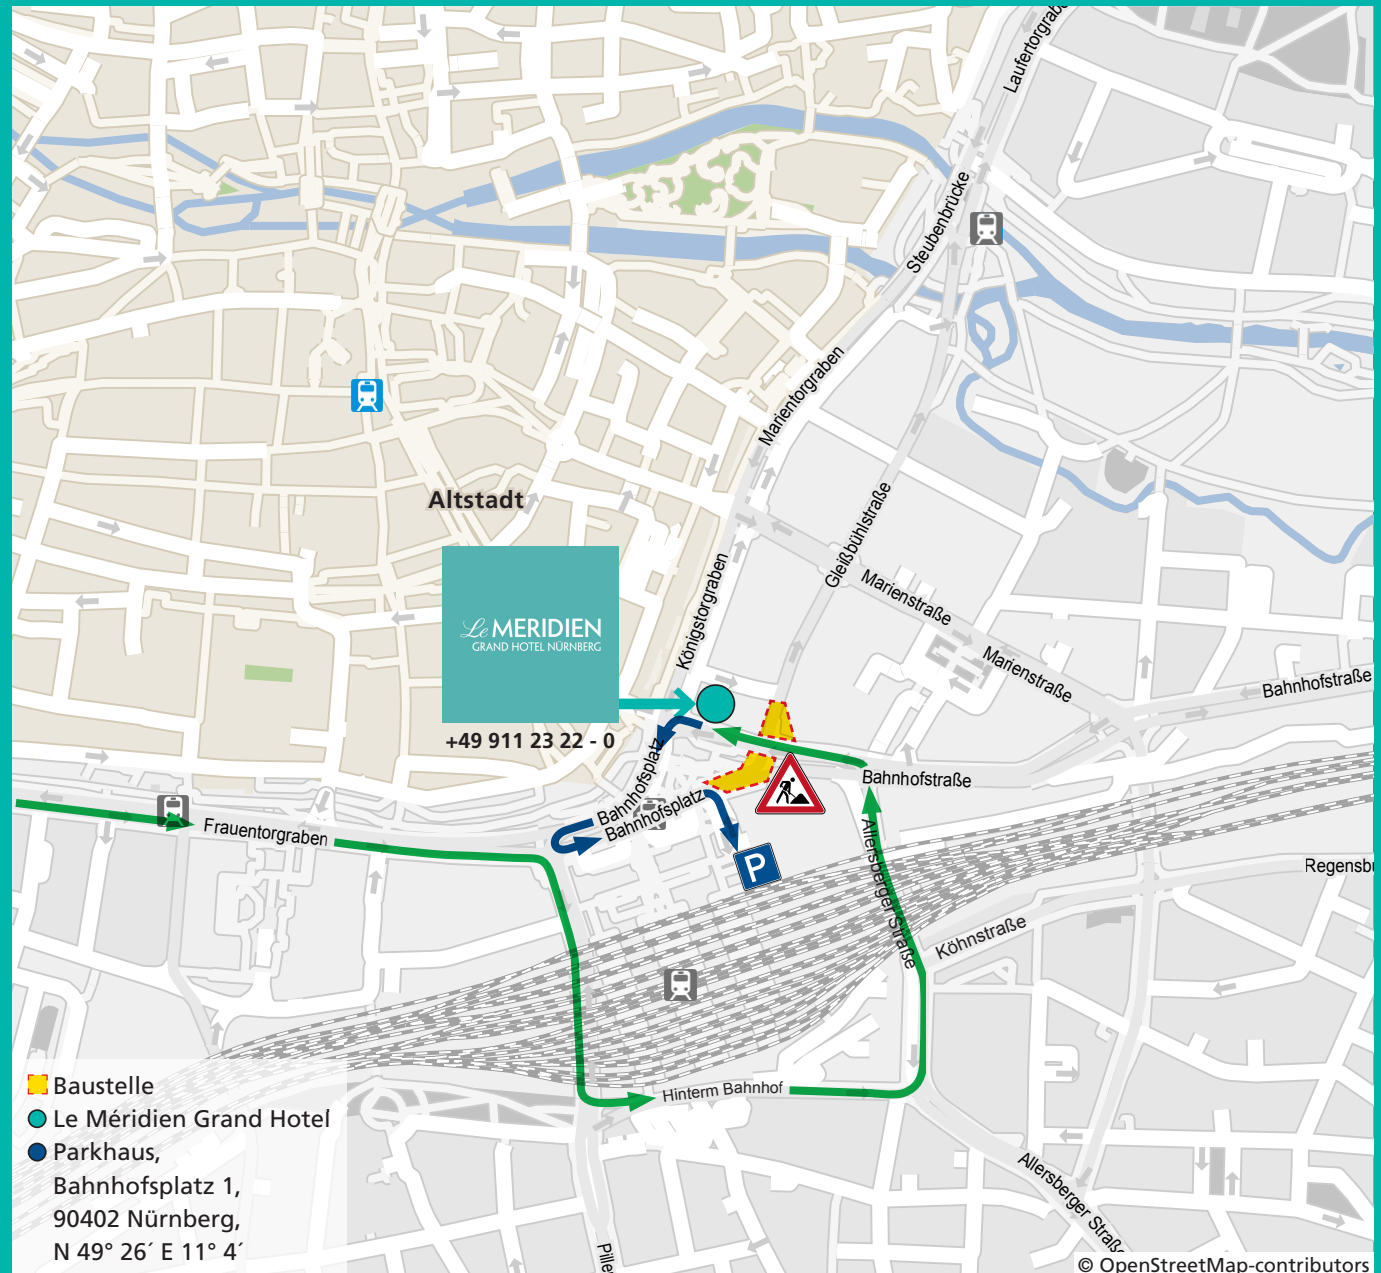

Dear Sir or Madam,

The Service Centre for Public Space of the City of Nuremberg is reconstructing the main station square. In order to complete the central transport hub in the heart of Nuremberg before the start of the Christmas Market by the end of November 2017, the traffic has to be partially redirected. With our redirection map, we intend to facilitate the access to your hotel in the Bahnhofstraße and hope that you will spend a pleasant and relaxing time in Nuremberg. For more information about the construction site, see our website

With kind regards,

Your "Servicebetrieb Öffentlicher Raum"
